**Supplemental Brief**

The undersigned spoke with Examiner Lofdahl on September 29, 2004. There was a §112 problem in claim 1, which if fixed would place claims 1-14 in condition for allowance.

Therefore, applicant is submitting this supplemental brief with a proposed amendment to fix the §112 problem. The amendment supplies antecedent basis for "fuze" in claims 1-14 by amending the preamble.

Claims 1-14 are now in condition for allowance.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
